

# UCSF Medical Center

## Heart & Lung Transplant

### **Things to report to your Financial Counselor after you have received your Organ Transplant:**

- Continue to report insurance changes to your assigned Financial Counselor prior to any procedure or appointments you have scheduled at UCSF.
- If you decide to change prescription coverage please confirm that your post-transplant medication is covered by the new prescription plan and that you obtain the cost of your prescription and continue to agree to pay your prescription co-payment cost.

### **Things to report to your Pharmacy and Nurse Coordinator**

- Please report the new prescription coverage plan to your pharmacy and your assigned Post Transplant Nurse Coordinators, delay in notifying your providers can hold up delivery of your post-transplant prescriptions.

### **If you receive a bill please call the UCSF Billing Department at 415-673-1113**

- A UCSF billing specialist can help you answer all of your billing questions.
